PUBLICATIONS AND WEB RESOURCES ON VOLUNTEERING OVERSEAS

American Jewish World Service does not necessarily share the values of all of these organizations. Further research of the goals and mechanisms of these resources and organizations is the responsibility of the volunteer. We wish you well in your search for social service.

Jewish Organizations

The Jewish Coalition for Service: AJWS is one of over 40 members of this umbrella organization which is result of the recent emergence of several new service programs that enable people to live out Jewish values of *tzedek* (justice), *hesed* (compassion), and *tikkun olam* (world repair).
